Insert Section 2.03.7: FINANCIAL MATTERS: Time Sheets and Expense Allocation

Each employee shall submit a timesheet at least once per pay period to reflect the number of hours worked, allocating such time to corresponding categories specified in the annual budget. Time sheets shall be reviewed and approved prior to employee time being entered in the payroll system. Payroll costs for each employee shall be allocated to expense categories in proportion with approved time. Separate general ledger accounts shall be used for allocated payroll costs.

Where appropriate, an expense shall be allocated to one category. Expenses that benefit more than one category or that are general administrative in nature shall be allocated to a general administrative account in the general ledger. Those expenses shall then be allocated on a monthly basis to expense categories in proportion to the allocation of payroll costs. Separate general ledger accounts shall be used for allocated general administrative costs.

Monthly financial statements shall separately report allocations of payroll and overhead to corresponding categories.
